Action Items

At the beginning of the school year there is always paperwork that needs to be completed. Here is a list of items that we would like you to complete to help our start up in the office:

- **Verification forms (yellow forms)** - these forms have been sent home this week. Please watch for them and update any outdated information. Once complete & signed, return it to school with your child.
- **School cash online** - all payments to the school go through school cash online. You pay your school fees online and any other fees through out the school year including field trips, using this [LINK](#).
- **Criminal record checks** - if you would like to volunteer for field trips you need to have a criminal record check completed. They are good for 5 years. You only need to complete one form and they are good for all schools our school district.

Kiss & Go Morning Drop Off

To help keep our Kiss & Go traffic flowing each morning, please move as far forward as possible before stopping to allow your child to get out of the vehicle. At no time should the driver exit the vehicle in the Kiss & Go drop off zone. This zone is always for drop off only so please DO NOT park your vehicle there. We have plenty of parking in our lot.

Open House

For families of Grade 1 and 2 students ONLY.

You are invited to pop in before or after school on **Thursday, Sept. 12th** from 8:20 - 8:35am OR 2:35 - 2:50pm to see your child's classroom.

PIE Offering Letter to Parents

To all parents and caregivers of SD23,

Welcome to the 2024/2025 school year!

Some of our parents and caregivers may have heard of the group: Partners for Inclusive Education. (PIE) This group focusses on topics and questions as it relates to families and students that require additional support in our schools. This support can be for neurodivergent designations, learning support, medical or physical support, or gifted designations to name a few.

Navigating through the school system, while managing any kind of additional need, diagnosis or designation can be challenging. As a group, PIE provides a space for support, education and opportunities to ask questions. We meet once ever 2 months and use this time to present on topics that would be helpful for parents and discuss topics relevant to families as it relates to designations or diagnoses.

Our hope is to create an environment where parents feel welcome, informed and part of a community within our School District, that share unique challenges.

Please join is for out first meeting of the school year on Tuesday, September 17th, 2024 at 6:30PM. The meeting will be virtual, and we would like to give all parents an opportunity to discuss future topics of interests and what support looks like to them.

Partners for inclusive Education (PIE) is a welcoming online space committed to supporting parents/guardians to learn more about the how students with neurodiversity, disability, support needs and/or diverse abilities are supported in their neighborhood school.

PIE is a space where parents/guardians, staff and community come together as partners to champion inclusive education by learning and supporting each other as we navigate the school years together.
